

Long Island Liquid Waste Association

Judge Coleman Memorial Scholarship 2024

Since its inception in 2018 LILWA has proudly granted over **\$ 33,000 in aid to 22 applicants** in honor of our past president, colleague and friend Judge Coleman.

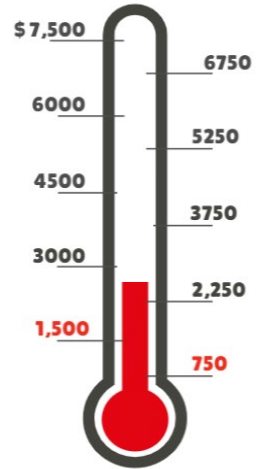

Help us continue this tradition of generosity and excellence by donating to this worthy fund today.

This LILWA benefit is available to all LILWA members, their families and their employees and their families.

While LILWA guarantees the award of at least one \$1500 award annually, the generosity of our members has, in the past, allowed us to grant as many as five (5) scholarships in a year! **Your contribution** will help us continue to maintain our goal. Please consider supporting this year's fundraising efforts.

Each year the Judge Coleman Memorial Scholarship(s) will be awarded at a Board of Directors meeting in June.

For those who want to donate by mail please fill in the information below and send with your donation check. We've added the convenience of online donations as well. Simply scan the QR code, or visit us at www.lilwa.org/scholarship-program. We look forward to acknowledging all contributors in our Summer 2024 newsletter.
