JOIN OUR SUMMER ISSUE

The Long Island Liquid Waste Association publishes a Quarterly Newsletter that is distributed to over 200 of the industry's most reputable firms. Advertising in this publication is the ideal way to reach a targeted audience and support the growth of this important niche industry.

If you have advertised with us in the past your loyal support has been greatly appreciated by our membership and we hope you will continue. **If you have not, this is your chance to reach members of the New York Septic Industry directly.** Beginning in 2022 all digital Newsletters will provide advertisers the unique opportunity to add live links for email addresses and websites giving our members an even easier way to navigate to your sites and contact you.

In addition, we're pleased to offer annual discounts for those who choose to prepay for the upcoming 4 issues in advance. (Ad content can be updated for each edition, please note deadline dates to submit your copy.)

Do not hesitate to call me with any questions you might have at (631) 585-0448.

Thank You
Linda Perlow, Executive Director
